

MSc in Management (International Business)

The Management MSc (International Business) programme provides an opportunity to study general management with a specialisation in international business as preparation for a career in the modern globalised world. It differs from the MSc in International Management in that it is aimed at students who have not studied business management before.

Profile of typical candidate

This programme is likely to appeal to graduates in an unrelated discipline aiming for management and wanting to equip themselves to operate successfully in a global marketplace.

Entry Specification

A 2:1 honours degree or better, or approved professional qualification.

Our standard English requirement for overseas students is IELTS 7.0 (with no less than 6 in each part). If you are unable to take IELTS we will consider TOEFL 600 with TWE 4.5 (paper-based) on TOEFL 260, TWE 5.0 (computer-based) or equivalent.

Course content

Two taught semesters, followed by a dissertation.

Core modules

- Accounting & Financial Management
- International Management
- Managing People in Organisations
- Marketing Management
- Operations and Supply Chain Management
- Strategic Management
- International Business Strategy
