

The  
University  
Of  
Sheffield.

# Would you like to be involved in a research project to improve the way physiotherapists make decisions when treating people with musculoskeletal problems?

If you have had **physiotherapy** for a **muscle or joint problem** such as: **your knees, shoulders, or back** we would love to hear from you.

To find out more and be involved in an interview and/or co-design workshops please get in touch:

**Cheryl Grindell**

Physiotherapist/PhD Student  
University of Sheffield
