Department of Health including NIHR (DH), GB

[DH PRP - Review and Update the Relative Need Formulae \(RNF\) for Adult Social Care](#)

The Department of Health’s Policy Research Programme (DH PRP) invites applications to Review and Update the Relative Need Formulae (RNF) for Adult Social Care. The RNF are used to ensure an equitable distribution of resources for adult social care between Councils in England. The two formulae, for younger adults and for older people, take account of differences in population numbers, needs, resources and input costs (wages) between areas.

The deadline for receipt of applications is 5 January 2012.

Link to Page: <http://prp.dh.gov.uk/2011/10/31/formulae-rnf-for-adult-social-care/>

[DH PRP - Informing the Scientific Advisory Committee on Nutrition’s Risk Assessment on Vitamin D and Health](#)

The Department of Health’s Policy Research Programme (PRP) invites research proposals to inform the Scientific Advisory Committee on Nutrition’s Risk Assessment on Vitamin D and Health in the following areas:

Priority Area 1: Appropriateness of serum 25 (OH) D as a biomarker of metabolic effect.

Priority Area 2: Inter-relationship between calcium intake and vitamin D requirements for the UK population.

Priority Area 3: Modelling approach to determine the duration and intensity of sunlight exposure required to maintain and achieve adequate vitamin D status in winter in “at risk” population groups.

The deadline for receipt of full applications is 5.00 pm on Monday 9 January 2012.

Link to Page: <http://prp.dh.gov.uk/2011/11/14/call-for-applications-informing-the-scientific-advisory-committee-on-nutrition%e2%80%99s-risk-assessment-on-vitamin-d-and-health/>

01904 321 726

The NIHR Health Technology Assessment (HTA) Programme invites research proposals that provide information about the effectiveness, costs and broader impact of healthcare treatments and tests.

Full research proposals are sought on the following topics:

Primary Feasibility Study:

- Ablation for suspected renal tumours

Full Evidence Synthesis:

- Interventions to prevent postnatal depression
- Parental incentives for increasing uptake of immunisations in pre-school children
- Psychosocial interventions for maltreated children and adolescents

Closing date: 12 January 2012 Deadline time: 1pm

<http://www.hta.ac.uk/funding/standardcalls/callopenfull.shtml>

[HTA - Clinical Evaluation and Trials](#)

Researchers are invited to submit outline proposals for evaluation studies within the remit of the Health Technology Assessment Programme. Evidence Synthesis applicants should submit full applications. Primary research applications will be accepted in the usual way. The HTA programme is interested in receiving proposals addressing any health problem in areas not otherwise well covered in our portfolio.

Closing date: 30 January 2012 Deadline time: 1pm

http://www.hta.ac.uk/funding/clinicaltrials/index.shtml?src=fundingoct11_5

[HTA – commissioned calls for outline proposals](#)

The NIHR Health Technology Assessment (HTA) Programme invites outline research proposals on the following topics:

Primary Research:

- Quitting smoking in pregnancy and following childbirth
- Interventions for preventing occupational irritant hand dermatitis in the NHS
- Immunisation of children and young people looked after by the state
- Surveillance programmes for people with inflammatory bowel disease
- Cystatin C test in the assessment of renal function
- Elemental/polymeric nutrition for the maintenance of remission in Crohn's disease
- Radiofrequency renal sympathectomy for the treatment of resistant essential hypertension
- Surgical treatments for moderate urinary incontinence in men after prostate surgery
- Early specialist palliative care for patients with metastatic non-small-cell lung cancer
- Interventions for psychosexual dysfunction after treatment for gynaecological malignancy
- Psychological treatments for fatigue in patients with inflammatory arthritis
- Long acting reversible contraception for secondary prevention of endometriosis

Primary Feasibility Study

- An interventional package for parents of excessively crying infants
- Timing of intravenous fluids after trauma

Evidence Synthesis

- Screening for hyperglycaemia in pregnancy

IPD (Evidence Synthesis)

- HbA1c targets for patients with type 2 diabetes
- Monitoring patients with chronic heart failure

Closing date: 9 February 2012 Outline submission Deadline time 1pm

[NIHR Clinical Lectureship – 2011](#)

The NIHR Clinical Lectureships are specialty training posts that incorporate academic training. Clinical Lecturers (CLs) spend 50% of their time undertaking specialist clinical training and 50% undertaking research or educationalist training. CLs are aimed at those who are advanced in their specialty training, have completed a research doctorate or equivalent and show outstanding potential for continuing a career in academic medicine. The duration of a CL is for a maximum of 4 years or until CCT is reached, whichever is sooner. Alongside clinical training, CLs will be able to develop their academic skills and will be encouraged to apply for funding to support further postdoctoral or educationalist training. The 2011 NIHR Clinical Lectureship recruitment round is now open and will end on 31 March 2012. Prospective applicants must contact the relevant Deanery in the first instance for further information on post availability and the recruitment process.

New Fellowship Opportunities

[Diabetes UK](#)

[RD Lawrence Research Fellowships](#)

Requests for materials and equipment should not exceed £14,000 per annum. Salary for the applicant may be requested. The salary for a technician or postgraduate research assistant may also be requested. This must be justified fully in the proposal.

Amount of funding available: £10K - £50K

Closing date: 31 October 2012

Duration: > 3 years

<http://www.rdfunding.org.uk/queries/ListGrantDetails.asp?GrantID=964>

[Diabetes UK](#)

[Entry Level Fellowship](#)

Requests should not exceed £10,000. Salary for the applicant may be requested. This will be paid at registrar level or on equivalent university scales.

Amount of funding available: £5K - £10K

Closing date: 31 October 2012

Duration: 6 months - 1 year

<http://www.rdfunding.org.uk/queries/ListGrantDetails.asp?GrantID=12478>

[European Association of Cardiothoracic Anaesthesiologists \(EACTA\)](#)

[Clinical Fellowship](#)

EACTA has established an educational fellowship funded to the level of 15000 Euros/year. The Clinical Fellowship will be available as one 12 month fellowship grant of €25,000 (approx £10,470), or two 6 month grants of €7,500 (approx £5,230).

Amount of funding available: £10K - £50K

Closing date: 31 October 2012

Duration: 6 months - 1 year

<http://www.rdfunding.org.uk/queries/ListGrantDetails.asp?GrantID=9338>

New Studentship Opportunities

There are no new studentship opportunities since the last update

Fellowships

[Arthritis Research UK](#)

[Clinician Scientist Fellowships](#)

Fellows will be paid on the Clinical Lecturer Scale with the first year's salary reflecting their current specialist registrar or equivalent salary. The salary will rise annually in line with the Clinical Lecturer Scale which will continue to apply even if the applicant obtains their CCST during the course of the fellowship.

Amount of funding available: Unspecified

Closing date: 10 December 2012

Duration: > 3 years

<http://rdfunding.org.uk/queries/ListGrantDetails.asp?GrantID=1354>

[Senior Research Fellowship](#)

Salaries will be according to age and experience on the appropriate scientific or clinical salary scale. Application may also be made for a supporting technician, running costs and essential equipment.

Amount of funding available: Unspecified

Closing date: 10 October 2012

Duration: > 3 years

<http://rdfunding.org.uk/queries/ListGrantDetails.asp?GrantID=9>

[European Crohn's & Colitis Organisation](#)

[ECCO Fellowships](#)

A total amount of 30,000 Euro (approx £26,187) will be awarded annually for one ECCO Fellowship.

Amount of funding available: £10K - £50K

Closing date: 01 October 2012

Duration: 6 months - 1 year

<http://rdfunding.org.uk/queries/ListGrantDetails.asp?GrantID=11982>

[Arthritis Research UK](#)

[Career Progression Fellowships](#)

The fellowship will provide 50% of a full time salary for up to 2 years with appropriate running costs in partnership with the host institution, who will agree to co-fund 50% of the salary. This fellowship is not renewable and successful applicants will be expected to secure a fully funded fellowship or academic post by the end of the fellowship.

Amount of funding available: Unspecified

Closing date: 19 September 2012

Duration: 1 year - 3 years

<http://rdfunding.org.uk/queries/ListGrantDetails.asp?GrantID=10312>

[Royal Society of Tropical Medicine and Hygiene](#)

[Garnham Fellowship](#)

One Garnham Fellowship of up to £4,000 will be awarded annually.

Amount of funding available: < £5K

Closing date: 15 September 2012

Duration: 1 year - 3 years

<http://rdfunding.org.uk/queries/ListGrantDetails.asp?GrantID=5050>

[Motor Neurone Disease Association](#)

[Clinician Scientist Fellowships: MRC/MND Association Lady Edith Wolfson Fellowships](#)

This award is a post-doctoral Fellowship providing up to four years support for laboratory-based studies. There is also a patient-oriented version of the scheme that provides up to five years support, which is intended for research requiring up to 40% of the Fellow's time to be spent in clinical work.

Amount of funding available: Unspecified

Closing date: 26 April 2012

Duration: > 3 years

<http://rdfunding.org.uk/queries/ListGrantDetails.asp?GrantID=12866>

[Motor Neurone Disease Association](#)

[Senior Clinical Fellowships: MRC / MND Association Lady Edith Wolfson Fellowships](#)

Support for up to five years is awarded to clinical researchers of exceptional ability.

Amount of funding available: Unspecified

Closing date: 26 April 2012

Duration: > 3 years

<http://rdfunding.org.uk/queries/ListGrantDetails.asp?GrantID=12868>

Arthritis Research UK, GB

[Foundation fellowships](#)

These aim to retain the best postdoctoral researchers in areas of research relevant to arthritis and musculoskeletal disease and provide an opportunity for fellows to develop independent research ideas at an early stage in their career. Fellowships will normally provide a full-time salary over three years according to age and experience on the appropriate scientific salary scale.

Closing date: 09 May 2012

http://www.arthritisresearchuk.org/research/applying_for_a_grant/types_of_grant/fellowships/foundation_fellowships.aspx

York

rds-yh@york.ac.uk

01904 321 726

The MRC provides the salary of the senior clinical fellow, who will be an employee of the host institution. The costs of research support staff, research consumables expenses and capital equipment appropriate for the research project, an annual travel allowance, and other appropriate items can be requested under full economic cost.

Amount of funding available: unspecified

Closing date: 26 April 2012

Duration: > 3 years

<http://www.rdfunding.org.uk/queries/ListGrantDetails.asp?GrantID=1626>

[MRC - Medical Research Council](#)

[Clinician Scientist Fellowship](#)

The fellowships provide personal salary costs, together with research support staff, research consumables expenses, travel costs and capital equipment appropriate for the research project under full economic costs. The award also provides the opportunity for fellows to undertake research training outside the UK, for which overseas living costs are available. The fellowship provides four years' support.

Amount of funding available: unspecified

Closing date: 26 April 2012

Duration: > 3 years

<http://www.rdfunding.org.uk/Queries/ListGrantDetails.asp?GrantID=1627>

National Association for the Relief of Paget's Disease, GB

[Grant programme](#)

The programme supports research that will advance understanding of the causes of Paget's disease and/or provide new insights into management of the disease and the prevention of complications. It is unlikely that projects with total value in excess of £100,000 will be supported.

Award amount maximum: £100,000

Closing date: 30 March 2012

<http://www.paget.org.uk/research/>

[Royal Society of Tropical Medicine and Hygiene](#)

[Denis Burkitt Fellowship](#)

One to a maximum value of £7000, or two separate fellowships of up to £3500 each.

Amount of funding available: £5K - £10K

Closing date: 15 March 2012

Duration: Single Payment

<http://www.rdfunding.org.uk/Queries/ListGrantDetails.asp?GrantID=5049>

Leverhulme Trust, GB

[Early career fellowships](#)

These aim to provide career development opportunities for those who are at a relatively early stage of their academic careers but with a proven record of research. The trust will contribute up to £23,000 per annum to the salary costs. Fellows may also request annual research expenses of up to £6,000. Fellowships are normally tenable for either two or three years on a full-time basis.

Award amount maximum: £87,000

Closing date: 08 March 2012 Deadline time: 4pm

<http://www.leverhulme.ac.uk/funding/ECF/ECF.cfm>

[MRC - Medical Research Council](#)

[Career Development Award](#)

The fellowship provides a competitive salary, research support staff, research consumables expenses, travel costs and capital equipment appropriate for the research project under full economic costs. The award also provides funding for research training outside the UK. Higher requests for resources must be justified in terms of delivering the objectives of the research proposal. An MRC career development award may be awarded for any period up to five years.

Amount of funding available: Unspecified

Closing date: 28 February 2012

Duration: > 3 years

<http://rdfunding.org.uk/queries/ListGrantDetails.asp?GrantID=1251>

[MRC - Medical Research Council](#)

[Senior Non-Clinical Fellowship](#)

The award provides a competitive personal salary for the fellow, research support staff, research consumables expenses and capital equipment appropriate for the research project, travel costs, and other appropriate items under full economic costs at a UK research organisation. An MRC senior non-clinical fellowship may be awarded for any period up to five years.

Amount of funding available: > £100K

The NIHR Research Design Service
for Yorkshire & the Humber

The National Institute of Health Research (NIHR) Research Design Service for Yorkshire & the Humber (RDS YH) supports researchers to develop and design high quality research proposals for submission to the NIHR and other national, peer-reviewed funding competitions for applied health or social care research. This support is provided free of charge.

If you need [support or specialist advice](#) to turn your ideas into research proposals, or to further develop your existing proposals, then please explore our site to see what we can offer.
