

Guidance regarding access to a funded place for

Continuing Professional Development (CPD)

Funded places on Pathway/Modules purchased under the Universities agreement with East Midlands Strategic Health Authority are available to the following groups:-

- Priority 1 – All NHS healthcare professionals in the East Midlands currently employed or seconded into a health care organisation.
- Priority 2 – Care professionals employed with non-profit making organisations and local government in the East Midlands.
- Priority 3 – Healthcare professionals working in independent/ private environments who have a significant input into the education of NHS pre-registration students.

Individuals under priority 2 and 3 may apply at any time to the Modules on the understanding that they or their organisation will have to pay for their places unless the Module has not been filled by NHS healthcare professionals in Priority 1. A discussion and agreement in writing as to whether these individuals are required to pay will be undertaken immediately post Module enrolment and before the commencement date of the Modules.
