

Guidance regarding access to a funded place for Continuing Professional Development (CPD)

Continuing Professional Development funded by the NHS Yorkshire & the Humber is available to those meeting the following criteria:

The applicant is:

- Employed by an organisation providing NHS services &/or providing audited/profiled **practice placements** for NHS students within the Yorkshire and Humber region
- Meets the entry criteria & has the written support of their employing organisation.

This includes:

Non registered personnel
Social care staff that are part of integrated health & social care teams
Staff from third sector organisations.

- The applicant is not employed within healthcare organisations but contributes to the delivery of NHS services within the Yorkshire and Humber region, for example service users.
- The applicant is an unemployed **new graduate** healthcare professional trained within the York's & Humber region

Definitions

New Graduate - An individual who graduated within the last 12 months & has not as yet secured employment.

Practice Placement - Practice experience can be gained wherever practice takes place & can incorporate,

- *Placements in an identified area of care*
- *Practice experience gained through alternative approaches e.g. students working over a period of time with a patient or client involving a range of settings*
- *Practice experience gained in skills labs.*
