International Office - Claire	Hi everyone. Welcome to the University of Sheffield Accommodation webchat. Answering your questions will be Carol, Elaine and Jane from the Accommodation Office team at the University of Sheffield. We are looking forward to answering any questions you may have about accommodation. Please ask us anything you like and we will do our best to answer. Please start asking questions.
yuelin22 Accommodation Staff - Carol	Hi Carol, good afternoon. Was wondering if I can apply to be in the same apartment as my friend? You can put their name and id/application number on your application and they need to put your details on theirs. we will try our best to put you together but no guarantee can be given that it will be possible.
Vian_Fu Accommodation Staff - Elaine	Hi all, good afternoon, may I know what kind of accommodation Sheffield provides? Hi Van_Fu, we provide a variety of rooms, some where you share your bathroom, some are en suite (your own bathroom) some are deluxe en suite (a double bed with own bathroom) we even have studios available,
Greg1066 Accommodation Staff - Carol	Hello, With a 42 week let what weeks are you allowed to be in the rooms and do you have to remove your belongings when you do not stay there? Hi the dates will be on your contract when you are offered generally this will be the 17th September to approx 7 July 2012. You can remain in the accommodation throughout this period.
International Office - Claire ahmdeyad Accommodation Staff - Elaine	Please note that your question may not be answered by the person you have directed it to. Hi carol I registered for an English course what can I do about the accommodation its too expensive to go to hotel Hi admdeyad, you do not need to stay in a hotel for your English course, I would recommend emailing accommodationoffice@sheffield.ac.uk with your applicant number and we will get back to you with more specific information
walaa_addas Accommodation Staff - Jane shef223 Accommodation Staff - Elaine xingshuo253	hello Jane, can I know what is the difference between the En-suite and deluxe room? A deluxe room is larger than a standard en-suite room and also has a three quarter size bed Hi everyone, I'm Uru-on from IEN (University of Sheffield's official representative in Thailand), I have a question regarding the accommodation during the 16 weeks pre-sessional course... Hi shef223, what's your question regarding your 16 week pre-sessional course? Hi, I am wondering whether I could apply to share room with someone from a different country. Or you just arrange it at random
Accommodation Staff - Jane 1068452855	Rooms are for single occupancy greetings all, I was wondering, how long does it take to travel from opal2 to crookesmoor building/arts tower and via which transport?
Accommodation Staff - Elaine tong Accommodation Staff - Carol	Hi 1068452855 it takes about 10 to 15 minutes to walk from Opal2 to crooksmoor arts tower I have a map of Sheffield and I wonder which building will hold the management lectures and which one for economic students, so we can choose a closer accommodation for management except MBA would be best with city site accommodation. if you are an MBA you would be better with the Ranmoor site. I would check where your lectures are to be held with your department first
Greg1066 Accommodation Staff - Elaine	Is there a place where I can find out the dimensions of a room? Hi Greg1066, Unfortunately not as each room is a little different, however when you are allocated a room you are sent information which will be more specific and will have information about the size of the room

Can we change room with others after we live in?
Hi Tong, once you move into your accommodation you have an assigned room in your flat or house. If you experience a problem and feel like you might need help either to move to a new room or a new accommodation building, you can always contact the accommodation office - but generally only if there is a problem. If there is not a problem, the accommodation office can try to move you to a new room, but only if there are others available.

I heard that I should choose 2 accommodations for graduate and for ELTC summer school. But International staff said I'm able to select only one accommodation including ELTC course and undergraduates. Is it possible?

Accommodation Staff - Elaine

Hi daeun1099 you are right in saying you have to apply separately for ELTC and degree course. this is because accommodation is limited at this time of the year so you may be allocated with Undergraduates for ELTC, however for your degree we would allocate you with other postgraduate students

The best place to go for information is here, for city centre: <http://www.shef.ac.uk/accommodation/prospective/city/roomtypes.html> and here for the others, <http://www.shef.ac.uk/accommodation/prospective/endcliffe/roomtypes.html> and <http://www.shef.ac.uk/accommodation/prospective/ranmoor/roomtypes.html>
