## EMPLOYER ORGANISATIONS THAT ACCEPT APPLICATIONS FROM INTERNATIONAL STUDENTS AND GRADUATES

**The following Companies who attended the Sheffield ‘Spring into Jobs Fair’ April 2009 and the ‘Yorkshire Autumn Graduate Recruitment Fair’ in November 2009 were asked if they accepted applications from International Students/Graduates requiring ‘permission to work’ in the UK. The following responded positively. (Please note that for some of the Companies there may be certain conditions, for example it may be for some types of position/career areas only.)**

**There will obviously be many other Companies that also accept applications, so please check with any that you are interested in working for.**

*NB Please also read the University of Sheffield Careers Service Briefing Sheet ‘International Students’. This explains the position regarding ‘permission to work’ regulations and other matters and also provides links to appropriate support websites. Any student requiring advice concerning their individual position should contact the Students’ Union Advice Centre.*
