## Student Access

Students in the Department of Animal and Plant Sciences must now hand in coursework through the Faculty of Science web-based assignment database. All pieces of work that is to be handed in must have a separate coversheet with the relevant barcode, generated by the system. Students can access the system using the URL <https://sciencecoversheet.group.shef.ac.uk/>

Students must log into the system using the log-in screen.

The screenshot shows a Mozilla Firefox browser window displaying the login page for the Faculty of Engineering's web-based assignment database. The browser's address bar shows the URL <http://www.foe-coversheet.group.shef.ac.uk/>. The page features a dark purple header with the University of Sheffield logo and navigation links: Home, Contact, Log into MUSE, and a search bar. Below the header is a navigation menu with links for Study at Sheffield, For Current Students, For Staff, Our Research, Departments & Services (highlighted), Useful Links, and News & Events. The main content area includes a breadcrumb trail: You are here: Home / Faculty / Faculty of Engineering / Assignment Coversheets. On the left is a vertical menu with links: Faculty of Engineering, News, About us, Students, Staff, Learning and Teaching, Research, Business and industry, Training for industry, Knowledge Transfer Account, Employment opportunities, and Contact us. On the right is a login form with fields for Username (containing 'fc1mim') and Password (masked with dots), and a Login button. The browser's status bar at the bottom shows 'Done'.

Once logged in to the system it is possible to view either upcoming assignment, or a list of all assignments.

The screenshot shows a web browser window displaying the Faculty of Engineering website. The page title is "Assignments requiring a coversheet". Below the title, there is a table with the following columns: Due Date, Assignment Code, Assignment Title, and Module Name. The table lists several assignments with their respective due dates and codes.

Due Date	Assignment Code	Assignment Title	Module Name

Generate your coversheet by clicking the “create coversheet” button.

Complete your coversheet ensuring that all the relevant details are included, including (a) your TurnItIn receipt number and (b) an accurate word count. No other alterations must be made to the coversheet.

Print out your coversheet and provide with your assignment when submitting. You will receive an email from the system once the barcodes have been scanned.

You must then attach the coversheet to your work, and deposit in the Large Black Secure Box which will be located in the Foyer of the Alfred Denny Building.

**Work that is submitted late will be subject to the standard penalties (5% of the mark awarded is deducted for each working day late). Work submitted without the TurnItIn receipt number and word count on the coversheet will not be accepted and will be considered as a late submission.**
