

APS 240 Data Analysis 2011-12

Practical class groups

The APS 240 practicals run as three sessions on a Tuesday afternoon. Each session is 1.5h, and you attend one of the three only.

The groups for each session are listed below. Please check which group you are allocated to and make sure you attend the appropriate session. The numbers are such that we need everyone to stick to their allocated session, so please don't just move between sessions from week to week. If for some reason you will not be able to attend the session to which you have been allocated, on a regular basis, then please let the course coordinator know before changing so the registers can be kept up to date. Depending on numbers it may be necessary for you to find someone to swap sessions with.

The sessions are:

Group 1: Tues, 2.00-3.30pm Perak IT Centre

Group 2: Tues, 2.00-3.30pm B56 Computer Room

Group 3: Tues, 3.30-5.00pm Perak IT Centre
